

Alex Rivera

Head of Growth at TechScale ? B2B SaaS | Revenue & Pipeline Strategy

About

I lead growth at TechScale, where I help B2B SaaS companies build scalable outbound pipelines without burning out their SDR teams.

Previously scaled GTM at two Y Combinator companies from \$0 to Series B.

Passionate about data-driven personalization and cutting through inbox noise.

Recent Activity

- Shared a post on why spray-and-pray cold outreach is dead in 2025
- Commented on a LinkedIn thread about AI-assisted SDR workflows
- Published an article: '5 outreach frameworks that actually get replies'

Experience

Head of Growth, TechScale (2023 ? present)

- Built outbound pipeline from scratch; 3x pipeline in 12 months
- Integrated AI-assisted personalization for SDR workflows

VP Growth, Acme SaaS (2020 ? 2023)

- Scaled ARR from \$2M to \$18M
- Led team of 12 SDRs and 3 AEs

Education

B.S. Computer Science, Stanford University, 2016
